

"Dr. Caldwell's Syrup Pepsin is certainly a most pleasant and efficient solution of the 'castor oil problem' that confronts most mothers." (From a letter to Dr. Caldwell written by Mrs. Chas. Daly, 412 Shonnard St., Syracuse, N. Y.)

For most children a mild laxative, administered occasionally, is all that is necessary to assure normal regularity and consequent good health. Dr. Caldwell's Syrup Pepsin is a pleasant-tasting combination of simple laxative herbs with pepsin that acts gently, yet effectively; children like it and take it readily.

"Before going to bed, I always rub a little Parisian sage into my scalp," says a woman whose thick, soft and fluffy hair is greatly admired. This stops itching scalp, keeps the hair from falling out, and makes it easy to dress attractively.

He took a bag of camphor and some quinine once or twice.  
He took some milk and pepper and he took the latest tip.  
Then he took the chills and fever and later took the grip.

## 30,000 Feet Measured

The "Good Witch" of Ipswich takes nothing for granted. In gymnasium and laboratory tests she measured 30,000 feet to make sure of establishing correct standardized sizes. You don't have to stretch Ipswich Hosiery to fit. Every pair is knitted to fit and the size marked plainly on each stocking is not about right but exactly right.

Fix this fact firmly in your mind—Ipswich Series Hosiery fit as well after washing as before.

Ipswich Hosiery must make good or Ipswich Mills will.
